

## DEPARTMENT OF ELECTRICAL ENGINEERING

GCOERC is a self explanatory brand which defines the turned stone, ready to conquer the world. At GCOERC I have lived the best days of my life. The experience here turned me to a more curious and achieving person. The support of the faculty members not only helped me to score good marks, but also helped me to overcome the flaws for being a good human being. With the grace of God and blessings of GCOERC family, I was able to crack Campus Placements and now working with Infosys , all was possible just because of GCOERC, Will always remain your student. Thank you GCOERC once again for being my best memory.

"The only impossible journey is the one you never begin". GCOERC,Nasik is a wonderful place to learn. It is one step destination for success and provides you with ample opportunities as well as builds you in that direction. The academic programs and the knowledge providers gave us a holistic overview of the different aspects of the subjects. The mentor mentee relationship is a unique in a way that motivates students to excel in their life and to face day to day challenges of academics as well as professional life. It was enriching academic experience that enabled me to secure placement with Deloitte. I would like to show my gratitude to the faculty and to the Placement Cell to provide us various platforms to present ourselves and getting us placed at good organization.

"Dream more & it is just beginning" & "Take risk, these will be nurtured you" and after completion of engineering from GCOERC I placed Cognizant,Pune . GCOERC provides a platform to Learning & Development & presents you to corporate world, the diversity of student here is awesome. The placement team is very effective, they interact, Conduct programs & engagement activities like corporate readiness programs, continuous monitoring on presentation skills, leadership talk, company's insights & workshops, which enhance your skills naturally in four years. Life is very unpredictable but everyone must have a dream & GCOERC provide opportunity to achieve. I am a proud to say that I am from Guru Gobind Singh college of engineering.

## DEPARTMENT OF ELECTRICAL ENGINEERING

It was a wonderful experience at GCOERC with an excellent exposure provided across the various platforms. The faculty are very supportive and encouraging; they push the students beyond their boundaries to rise above expectations. GCOERC targets for an overall development of every student, be it education, cultural awareness or practical exposure of business world like industrial exposure and international tour. The placement activities are pretty good and come with a training given on how to conduct oneself and face interviews confidently.

It was a great time, spent in GCOERC. The Electrical Department has very wonderful faculty and they are very cooperative. The relation between faculty and student is very cordial, which gave me an opportunity to excel further. The four years spent here was splendid and has helped me excel professionally as well as personally. Apart from academic, department offers various opportunities to enjoy our college days which was attracting us towards college many of the time. Community activities, group assignments/tasks, mock interviews and employability skills development class etc., helped me personally to groom myself in 360 degrees of life expectations. GCOERC is the best college for engineering to groom in all the ways I am happy to say that I am from GCOERC
