Brief about the Program (Activity/Event)	Every year, March 8 is celebrated as International Women's Day. This year, the goal is to create a gender equal world. It is about celebrating a woman's success and raising awareness against bias. The aim is to celebrate their achievements and acknowledge their increasing visibility in every sphere of life. The idea behind celebrating the day is also to highlight the extraordinary roles played by women in almost every walk of life and salute their courage and determination. The theme of this year's Women's Day is Women in leadership: Achieving an equal future in a Covid-19 world.
