Program Report

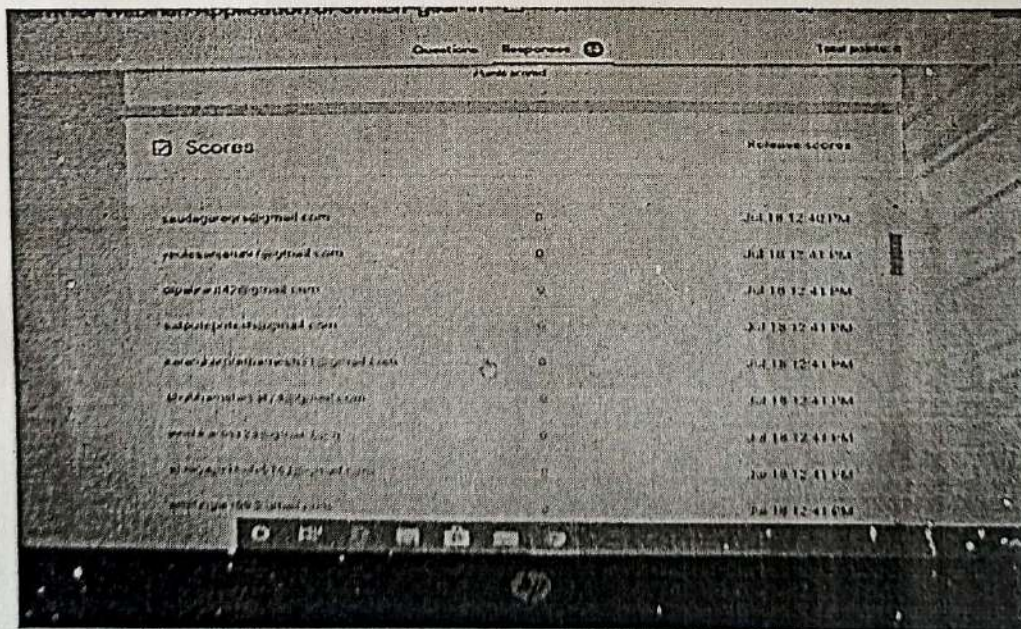

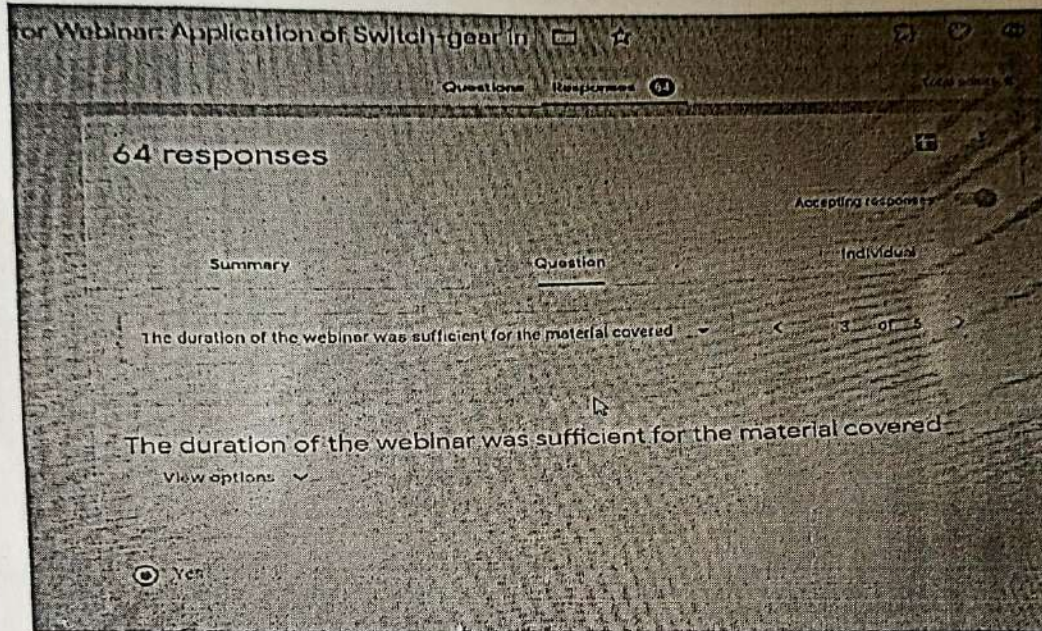

Electrical Engineering Department

Title of Program	Webinar on "Application of Switchgear in Industry"
Objective of Program	To give the Brief Idea about the various Switchgear components in detail and there use in industry. The various topics Covered are Circuit Breakers, Relays, Transformers there types and various Testing methods used.
Name of Resource Person	Mr.Mandar Godbole
Resource Person Post and Organization	Senior Executive at ABB India Pvt Ltd
Date and Time of Program	18-07-2020 and 11.30 am to 12.30 pm
Mode	Google Meet
Organised By	Electrical Engineering Department
Program In-Charge	Mrs.L.M.Godbole
Target Student	Students of SE; TE & BE
No of Students Present	64
Program Approved by Principal/HOD	HOD & Principal
Supporting Staff Member	All Staff of Electrical Engineering Department
Brief about the Program (Activity/Event)	Mr.Mandar Godbole who was the speaker of the program is currently working in ABB India Pvt Ltd. His area of specialisation is Switchgear and he has worked for nine years in various switchgear components like Circuit Breakers, Transformers, RMU, CSS, etc. So to brief the students about all these components in detail this webinar was organised. The platform for the same was google meet and feedback was taken just after the webinar was over. The students found the webinar very interesting and informative.

Subject: Letter of appreciation

Respected Sir,

With due respect, I, on behalf of the Electrical Engineering Department, GCOERC Nashik, would like to extend my sincerest gratitude towards you for your presentation on "Generator Protection" on 22/09/2020. Your views on developing an Generator protectiony and its execution have broadened our horizons.

Please accept our appreciation for such a commendable job. We will take your words into practice. You have covered all essential elements of industry internet of things and your description of how to execute it is remarkable.

I once again would like to thank you for such a wonderful presentation and hope to get a chance to hear such speeches from you in future also.

Thanking You,

Yours Faithfully
