Department of Mechanical Engineering Notice for BE Students

Date: 12/10/2022

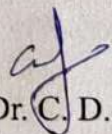

All the students of BE Mechanical are hereby informed that the project review I presentation is arranged on 17 to 20 Oct. 2022, at 10 a.m. in seminar hall 5. All groups are informed to approach the respective guide and report your work. The presentation will carry 25 marks.

The general expectation of the project is as follows:

- Prepare a presentation of the completed work.
- The presentation should contain the title, objectives, problem statement, literature review, methodology, and other completed work as per the requirements of your respective project.
- Add charts, figures, photos, and videos for better explanation.
- All students from the group must be present on time.

Date: 10/11/2022

All the students of BE Mechanical are hereby informed that the presentation for project review II is scheduled on 14 to 16 Nov 2022 at 10.30 am. The presentation will start on time.

The general expectation of project as follows:

1. Prepare a report and presentation of completed work.
2. The report should contain the title, objectives, Problem statement, literature review, summary of literature review(Gap identified), methodology, design,(calculation & cad model) and other work as per requirement of respective project.
3. 40% of total work has to be completed.
4. All students from the group must be present.

Department of Mechanical Engineering
Notice for BE Students

Date: 27/01/2023

All students of BE Mechanical are hereby informed that the project review presentation is as per following schedule. every presentation will be of 25 Marks, if any student/group remains absent then they will be responsible for their academic loss.

| Sr. No. | Date of Review | Expectations during Review |
|---------|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | 28-01-2023 | Current status of project work (model/or sponsored). In process work / model should be presented. In the case of a sponsored project, visit of guide should be carried out or arranged before the next presentation. |
| 2 | 11-02-2023 | Presentation of completed project model with testing and results |
| 3 | 25-02-2023 | 1. Modified project model (as per suggestion given in previous review) 2. Draft copy of project report |
| 4 | 11-03-2023 | 1. Final presentation along with model 2. Embossed copy of project report (black book) |

The general expectation from the presentation are as follows:

1. Prepare a presentation of all completed work from the start of the project to the current stage.
2. Project fabrication must be done on the college campus (project lab).
3. Presentation should include the visuals (**Photograph & Videos**) of the project from the start to the current stage of work and actual site visit of model manufacturing process (In campus).
4. All students from the group must be present at 10.00am without failure. If students remain absent without any permission they will lose the allotted marks of review.
