IEDC Cell

Date: 1st March 2024

Quarterly Plan.
Semester 2- Quarter III & IV

1. Become a facilitator between the students and the industry to help in finding the aspiring entrepreneurs the right people to approach for any task.
2. Motivate the students to think creatively and generate innovative ideas from all fields of engineering.
3. Transform innovative ideas into socially and industrially relevant products.
4. Inculcate a culture of innovation driven entrepreneurship.
5. Provide students with hands-on guidance in project management, teamwork, business and marketing.
6. Make available exposure to various fields like marketing, logistics, public relations and other areas of management.
7. Inspire and motivate young innovators to come forward with their path-breaking ideas
8. Develop an institutional mechanism to create an entrepreneurial culture among the students
9. Provide with access to cutting edge technology, good infrastructure, high quality mentorship and global exposure.
10. The selected innovators will be exposed to Innovation culture, emerging technologies, various Events and Business aspects

Dr. C.D. Mohod
IIC President

IEDC Cell

Date: 1st March 2024

**Minutes of Meeting
Semester 2- Quarter III & IV**

1. The Convener appraised EDC & IIC members on activities conducted in quarter-I
 2. Members discussed about activities for the next quarter
 - a. Student competition on innovative business model in areas related to sustainable development
 - b. For the above, ask cooperation from institutions like Tata Social Trust, Indus Entrepreneurs, Start-up India to convert idea into commercial venture
 - c. Conduct a session on entrepreneurship by a start-up founder
 3. Other Discussion Points
 - a. EDC to work in synergy with IIC (joint meetings, workshops etc.)
 - b. Expand the council to include faculty members from all Departments
 - c. Follow-up with Startup India on a session regarding government policies & support
- Dr. Mohod apprised the members about the start-up activities in sustainable development being undertaken at the EDC Cell.
 - He informed that the EDC regularly invites young entrepreneurs and alumni from the Nasik region for guest lectures and activities to promote the culture of entrepreneurship.
 - He stated that the college had applied to a few schemes for incubation centres and it is in progress now.
 - He apprised the members that the college alumni were forthcoming in providing mentorship to students from the college and the college is working towards developing the proposal.

Present Members

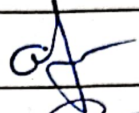

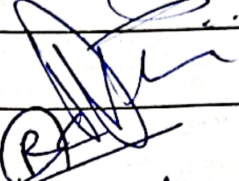

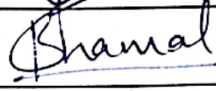

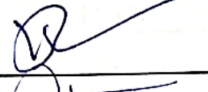

1. Dr.C.D.Mohod
2. Mr.P.C.Patil
3. Mr.S.M.More
4. Mr.P.R.Kulkarni
5. Ms.S.S.Dhamal
6. Mr.D.D.Desale
7. Mr.V.S.Gawali
8. Mr.K.R.Pagar
9. Mr.P.B.Shinde
10. Mr.M.A.Amrutkar

Attendance

Date: 01/03/2024.

Meeting :- Quarterly Meeting for Planning (Sem-II)
