| Title of Program | Alumni Meet-2023 |
| Objective of Program | The alumni meet aims to foster a sense of belongingness and reunion among alumni. The purpose of the event is to sensitize a sense of connectedness back to the institution feeling. Alumni meet provides a platform to the new professionals to share their experiences with their juniors in the college. The professionals can exchange information about their work, experiences and help each other with networking needs such as hiring, referrals for specific expertise, or looking for a new job. The alumni meet bridges the gap between the engineers to be and the ones who are the technocrats. |
