

5.4 Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Guru Gobind Singh Foundation's, Guru Gobind Singh College of Engineering & Research Centre's Alumni Association Nashik is duly registered under the Societies Registration Act, 1860 (XXI of 1860) on 20th July 2018. The Alumni Association acts as a link between the "Alma Mater" and the "Alumni", and motivates alumni for their contributions towards institutional, academic, and infrastructure development. It is moving ahead, with selfless intentions for the institute and students' growth and development. The association provides a platform for interaction between alumni, present students, faculty of the institute, and institute administration. With the help of the active participation of the alumni, the institute believes to create and maintain a lifelong connection with its alumni. As stakeholders of the institution, alumni visit the college contribute towards students development through interactive sessions related to skill development, personality development and career development and thus partners to bridge the gap between the industry and academics.

Students submit the alumni registration form as lifetime registration for the alumni association. The data is collected and processed by the alumni association coordinator. First alumni meet of the first passing out batch of July 2017, was held on 03/03/2018. During pandemic, virtual meet was organized. Total number of alumni registered till AY 2021-22 is 1287.

The alumni are actively engaged with the institute and meet at least once a year. The alumni engagement mechanism of the institute achieves this by inviting alumni as members of the executive body of the alumni association. This would give the feeling of "belongingness" to the alumni and they would "feel connected" and would continue to take pride in our achievements and would do handholding where ever required.
