**Meeting of Board of Governance for
Guru Gobind Singh College of Engineering &
Research Centre, Nashik.**

Date of meeting : 28th March 2018
Venue : Conference Room
Time : 11.00 am
Meeting No.: 03

The agenda for the meeting is as follows :

1. To take review of minutes of last meeting along with the action taken report.
2. To consider the report of the Principal on various activities.
3. To consider and approve the proposal of starting the skill based training courses under the Institute Industry Partnership Centre of Excellence of Bosch & Siemens.
4. To consider and approve the proposal of starting new skill development courses under PMKVY.
5. To consider and approve five years perspective plan of the institute for the period 2018-19 to 2022-23 along with the review of the same planned earlier for the period 2013-14 to 2017-18.
6. To consider and approve the fees concessions/scholarships awarded at institute level to the needy students.
7. To receive and approve the budget estimate for the year 2018-19 (recurring and non-recurring)
8. To consider and approve the draft of the academic diary to be maintained by each faculty.
9. To consider and approve revised Vision and Mission statements of the institute.
10. Report on preparing institute for the accreditation from NAAC.
11. Any other point with the permission of the Chairman.

Dr. Neelkanth G. Nikam
Principal and
Member Secretary of BOG,
GCOERC, Nashik.

Result Analysis
Teacher Observation & Evaluation Report
Student Feedback Analysis Report
Undertaking by faculty

The effort of the institute to introduce a well drafted academic diary for the faculty to record all necessary details was appreciated by the Hon'ble members and they approved the same for the implementation from the academic year 2018-19.

Item No. 09: To consider and approve revised Vision and Mission statements of the institute.

Considering the changed expectation of the industry from the engineering graduates it was proposed by the Principal to revise the Vision and Mission statement of the programs & the institute. After getting the feedback from the stake holders drafts of the vision & mission statements of Mechanical Engg., Electrical Engg. and Civil Engg. programs along with the following draft of vision, mission & values of the institute was presented for an approval by the Hon'ble Members.

Vision

An institute striving for excellence in providing Transformative Academic Education and Stimulating environment for Research to enhance skills for Developing Intellectuals and to Inculcate quality education with Social and Technical knowledge which will benefit the Society and Industrial Challenges.

Mission

- To be a Technical Educational Institute in transforming aspiring engineers through rigorous course work and technical skills.
- To benchmark with the best global standards of quality education
- To enhance commitment of the faculty, staff and students by inculcating the spirit of inquiry, team work and professionalism
- Establish a Centre of Excellence to enhance academia-industry partnership, work on collaborative projects, and develop new products, services and patents.
- To develop globally competent students by enhancing indigenous technologies and inculcate entrepreneurship in them.

Values

- Student centric learning
- Professional development
- Integrity & ethics
- Innovation & flexibility
- Team work & collaboration

Hon'ble members approved the vision and mission statements and the set of values drafted for institute.
