Parent's-Teacher Interaction Report.

Respected sir,

As per the subject mentioned above, department of Computer Engineering has successful conducted the "Parent's-Teacher's interaction" on 11th to 15th October 2022.

As per the scheduled meeting time. Following points were discussed during Interaction:

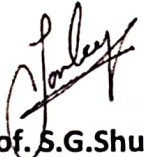

1. Discussion focused on how the department is supporting students in their academic progress after the disruptions caused by the pandemic.
2. The department may have discussed the importance of regular attendance in lectures, labs, and other academic activities. Additionally, they might have informed parents about online resources available to students, such as lecture recordings, course materials, or online learning platforms.
3. The Head of Department (HOD) addressed parents' concerns regarding university exams. This included details about exam patterns, syllabus coverage, and tentative exam dates. The HOD also shared the most recent information from the university's official website regarding current and upcoming semester academics.
4. HOD requested the parents to keep the track of activities being conducted by faculties and see that the students are following them.
5. The HOD discussed the department's progress on syllabus completion, academic reviews, and practical sessions.
6. The HOD highlighted the department's efforts to enhance student learning through industrial visits, expert lectures, and publication opportunities. (This point combines industrial visits, expert lectures, and student publications.)
7. Discussed on available internship opportunities and how students can prepare for them.
8. All teaching staff were present for the meeting and the doubts of parent's/students regarding respective subjects were addressed.
