Subject: Letter of Appreciation

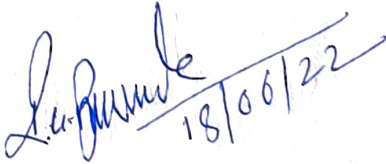

Dear Mam,

We would like to take this opportunity to thank you for being a resource person for Expert Talk on "Energy Conservation and Energy Management" organized by Department of Electrical and Electronics on 18th June 2022 for the IILP students. This session was appreciated by all the participants.

We appreciate your time and efforts for conducting expert talk and contribution in improving well-being of the participants. We look forward to having a strong continued association with you and your organization.

Thank you.

With Warm Regards.
