Dear Kanthak Samrat

Congratulations! We are pleased to make you **a conditional offer** to study with Brunel University London from September 2023. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID: 2317782
Course Title: MSc Automotive and Motorsport Engineering
Department: Department of Mechanical and Aerospace Engineering
Mode of Study: Full-Time
Location of Study: Uxbridge
CAH3 code: CAH10-01-03 (Production and Manufacturing Engineering)
Academic Level: Masters Degree
Registration Date: 11 September 2023
Teaching will begin on: 18 September 2023
End Date: 19 September 2024

Tuition Fees: Based on the information you have provided on your application form you have been classed as an Overseas

student for fees purposes. Tuition fees for 2023/4 will be £21,470. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [UKCISA's website](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our current [Student Financial Policy](#) (applicable to all students joining Brunel from 1 September 2022 onwards) on our website.

Payments from Sanctioned Countries

All payments made to Brunel University London must be compliant with International Sanction laws. It is your responsibility to ensure that you are not breaching any of these laws when making payments to us. For more information, including a list of countries where these sanctions apply, please visit this [webpage](#). If you are resident in a country that is subject to sanctions, we will send you a separate email in due course containing a questionnaire that you must complete. Please note, you will not be permitted to register on your course until you have completed this questionnaire and received a successful review from the Brunel Finance team.

Additional Costs:

Your course may carry additional course-related costs that you will be required to pay. Please read the ['Additional Costs' document](#) to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Pass your degree with an average mark of 55% or above.

- You or your Agent must provide us with a copy of your Standard XII transcript that has been verified on, and downloaded from, the Digilocker website. Alternatively, please provide us with an attested copy of your Standard XII transcript from your school.
- Provide a deposit of £5000 or evidence of approved sponsorship or a scholarship of this value (this does not include a scholarship awarded by Brunel University London). Please pay your deposit within 28 days of receiving your offer in order to secure your place. For any deposits paid after this date, places will be reviewed subject to course vacancies. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) at least 2 months before your course Registration Date, which is listed at the top of this letter. This is particularly important if you will need a Visa to study with us - please note there may not be enough time to issue you with a CAS if you do not send us evidence you have met your conditions in good time. Please upload colour copies of all documentary evidence to your [my Applications portal](#). If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student Visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student Visa in time to start your course.

If you do require a Student Visa to study in the UK, before we can issue you with a Confirmation of Acceptance for Studies (CAS) to apply for a Student visa we will check that you can meet the UK Student visa requirements. As part of this check we will assess whether you meet the 'academic progression requirements' for a Student visa, as well as your UK immigration history (if applicable). This is to ensure you can make a successful visa application.

This offer is not a guarantee of a CAS being issued and we reserve the right to withhold a CAS if, on rare occasions, we do not believe you can make a valid visa application. If this is the case we will contact you to let you know, and only after you have met any other outstanding conditions to your offer.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- A scanned, colour copy of your highest qualification: Bachelor of Engineering in Mechanical Engineering - Savitribai Phule Pune University
- A scanned, colour copy of your English Language qualification: Confirm Standard XII
- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this academic year (any deposit payment you make will count towards this payment).
If you need help understanding what 40% of your tuition fee would be, if you are joining an Undergraduate, Postgraduate Taught or Research degree programme you can find some guidance on our [website](#). However, please be aware that the information quoted on this page has not taken into account any discounts or scholarships you may be eligible for. Discounts and scholarships will normally be applied to your tuition fee when you register, or very soon afterwards.

Your Student Contract

Please check the details of the offer we are making to you:

1. Is this the course you intended to apply for?
2. Is the mode of attendance correct (full time, part time, sandwich, online, distance learning, study outside of the UK, etc)?
3. Is this the start date you wanted?

If anything is incorrect, please contact us immediately.

It is important that you read your offer carefully. We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
- You fail to provide evidence as or if required;

and/or

- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

We may withdraw your offer of a place and you will not be able to register on the course, or if relevant, we may terminate our contract with you.

By accepting our offer:

- You are agreeing to be subject to the terms and conditions set out in this letter.
- You are agreeing to and certify that you are, on the date of accepting your offer, fully compliant with Brunel University London's Terms and Conditions, Statutes, Council Ordinances and Senate Regulations, and all University rules, policies and procedures in force; in particular, but without limitation, the University's Admissions Policy and the provisions within the policy relating to eligibility for admission. Full details and our Terms and Conditions can be found on our [website](#). You might find the following sections of particular use: the **Student Contract**, **Student Finance Policy** (which includes information about the payment of fees) and the **Student Complaints Procedure**. You should read these before accepting your offer.
- A legal contract is formed between you and the University on the basis of the terms and conditions of your offer that are set out in this letter.

Please review the Admissions Policy [here](#). In accordance with our ongoing process to review and update our policies periodically, this may have been updated since the date of your application.

How to accept your offer

To let us know whether you would like to accept your offer please log into your [my Applications portal](#) and click on the 'Respond to offer' button. We would advise you to accept your offer and pay your deposit as soon as possible in order to secure your place.

*Limited places available

In recent years our courses have been in high demand, which means places will be filled on a first-come-first-served basis. With this in mind we encourage you to accept your offer, pay your deposit and meet your offer conditions as soon as possible in order to secure your place. If you do this after your course meets their department limit we may need to defer your place to the next available entry point. Please refer to this [webpage](#) for further information.

Your right to cancel your agreement

You have the right to cancel your contract with us within 14 days of accepting this offer, without giving any reason. The cancellation period will expire after 14 days from the day you accept your offer. To exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. e-mail. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of any fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our [website](#).

Further Information

Student Immigration Information

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student Visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact international-admissions@brunel.ac.uk.

- **Estimated costs of living**

From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student Visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#). Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student Visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student Visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of

Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: <https://www.brunel.ac.uk/international/visas-and-immigration>
