- Project Management & Operational excellence + Learn & Acquire the Skills
- Communication & other Soft Skills

While Subject Knowledge would be provided by college, CADD Centre will equip the students with required industry specific CAD and Project Management skills.

On one hand, thousands of unemployed Engineering graduates are unable to find suitable jobs, while on the other hand, industry requires millions of young minds at all levels but are unable to find the right candidates. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students by facilitating them to acquire the appropriate and relevant skills at college itself through this program. Through this collaboration, CADD Centre will prepare the students to be ready for the industry by the time they complete their engineering and facilitate many of them to

Secure dream jobs. For this, the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle, the programs are spread across their semesters.

DELIVERABLES

CADD Centre Nashik Shall Provide

- Comprehensive CADD Centre reference and work books to all students for each course as part of the course.
- Experienced, Qualified Faculty with good industry exposure for courses. Profile of such faculties will be submitted to concerning HOD for review and approval.
- Periodical assessment of the progress of students for their further improvements.
- Certificate of Completion to every student who successfully completes the training program every semester which will bear the logo of CADD Centre.
- "Certificate of Association" to the college.
- Permit <Name of College> to use CADD Centre logo as the Skill Development Partner.
- Welcome college to use CADD Centre strategically, based on the need.

Importance of Software in Civil Engineering

Date: 2nd September, 2022

Venue: Class Room No 126

Event Schedule:

Date	Time	Description
02 Sep 2022	02:00 PM - 04:00 PM	

Dear All,

An expert lecture was conducted for the Second and Third Year Civil Engineering students on the topic "Importance of Software in Civil Engineering". Use of software to perform civil engineering jobs is the need of the industry, so to bridge the gap a team from CAD CENTER, Nashik, gave a presentation and had an interaction with the students regarding softwares like AutoCAD, Google Sketchup, Rivet, BIM, VRAY, STAAD Pro, ETABS, MS Project.
