We are glad to announce our Sixth batch of BE students in the academic year 2021-22, having sincere and scholar students.

As a part of the curriculum, final year students have to undergo a one year project, which needs to be related to real-life business & industry problems. Mr. Huzair Shaikh, Ms. Sakshi Sonawane, Ms. Bhagyashri Thail & Mr. Abhishek Sadgir.

who are bonafide students of our college studying in final Year (Civil Engg.), like to visit your organization to explore the possibility of a suitable Project that you may like to sponsor. We would request you to provide them necessary technical & financial assistance and advice/guidance along with a sponsorship letter. We request you to allow students to display the project at our campus at the time of final University Examination.

We look forward to your encouragement and support to our young and highly motivated students.
