## MEMORANDUM OF UNDERSTANDING

The Memorandum of Understanding is made on 1<sup>st</sup> February 2021

Between

(Party A) **Guru Gobind Singh Foundation**, Nashik India-422009 (herein after referred to as "GGSF")

AND

(Party B) **Galaxy Wheels, Nashik**, India (herein after referred to as "GALAXY" having their registered office at Opp. Saptashringi Hospital, Pathardi-Deolali Road, Pathardi Phata, Nashik 422010, India.

The parties wish to enter into Memorandum of Understanding (MoU) for establishing GGSF-Galaxy Industry Institute Development Program (hereinafter referred to as "Industry Institute Development Program) jointly developed by GGSF & Galaxy, in the campus of GGSF on mutual understanding for enhancing graduate employability.

- 1) The concept for upgrading of engineering skills of students will be developed by GGSF & executed at various worksite of GALAXY. It will act as the bridge to address the technological gap by providing on field training to Diploma & Degree students.
- 2) GALAXY will help Diploma & Degree students of GGSF by providing Internship opportunity at various departments and if possible absorbing suitable successful candidate as per norms of company.
- 3) GALAXY will help GGSF students to learn about Industry activities through visits (Industry & corporate office) as per their convenience.
- 4) GALAXY will help engineering Diploma & Degree students of GGSF by providing Internship opportunity at various departments and if possible will provide job assistance to the students who will complete the internship successfully.

By GGSF,

- 1) Identify the skill set requirement for enhancing employability through customized training.

Sub. – To seek permission to perform Practical on Wheel Balancing Machine at your works.

Dear Sir,  
Greetings from GCOERC!!!!

This is to inform that our **Final year Mechanical Engineering students** have a subject of "Dynamics of Machinery", under this subject & as per syllabi of Savitribai Phule Pune University, they have to perform practical on wheel balancing machine. The scope of this visit is to know about actual working of balancing machine & students will come to know how to take readings, balance the rotating masses as your organization is having updated & automated balancing machine.

The total number of 100 students who desires to visit & perform practical on balancing machine.

I humbly request you to allocate us date of visit as per your convenience.

Thanking you,

Yours truly,

Dear Sir,

On behalf of Guru Gobind Singh College of Engineering & Research Centre, I extend heart felt thanks, for your whole hearted cooperation for allowing our final year students of Mechanical Engineering to perform practical on "Wheel Balancing Setup" at your works.

Your, practical knowledge, input and enthusiasm is helped our students to acquire a required technical knowledge and to bridge a gap between theoretical and practical knowledge.

We are expecting the same cooperation in future also.

Again, I thank you for your contributions, time, and efforts in performing the experimentation on wheel balancing machine.

Your's Truly,

(Dr. C. D. Mohod)

Sub. – To seek permission to perform Practical on Wheel Balancing Machine at your works.

Dear Sir,  
Greetings from GCOERC!!!!

This is to inform that our **Final year Mechanical Engineering students** have a subject of “Dynamics of Machinery”, under this subject & as per syllabi of Savitribai Phule Pune University, they have to perform practical on wheel balancing machines. The scope of this visit is to know about the actual working of the balancing machine & students will come to know how to take readings, balance the rotating masses as your organization is having an updated & automated balancing machine.

The total number of 100 students who desire to visit & perform practical on balancing machine.

I humbly request you to allocate us a date of visit as per your convenience.

Thanking you,

Yours truly,

Dr. C.D. Mohod

## Subject: Thanking letter

Respected Sir,

On behalf of Guru Gobind Singh College of Engineering and Research Centre, I would like to take this opportunity to thank you for permitting our student to visit your reputed organization. I would also like to thank you for sparing your valuable time to guide our students and enhance student's practical knowledge.

Thank you so much for your kind hospitality and for making us feel so welcome in your organization. We hope for your cooperation in future also.

Thanks and Regards.
