

Program Report

## Computer Engineering Department

Title of Program	Expert talk on "Transport Layer Functionalities"
Objective of Program	To understand functionalities of transport layer.
PO Achieved:	PO1: Engineering Knowledge: <b>Level achieved: 2</b> PO5: Modern Tool Usage: <b>Level achieved: 2</b> PO12: Lifelong Learning: <b>Level achieved: 2</b>
Name of Resource Person	Ms Jayashree kadam
Resource Person Post and Organization	Junior Engineer, BSNL, Nashik
Date and Time of Program	28th Nov 2021 2:30PM to 3:30PM
Venue	GCOERC, Nashik (Online)
Organised By	Computer Engineering Dept., GCOERC, Nashik
Program In-Charge	Mrs Pradnya Bachhav
Target Student	TE Computer engineering
No of Students /Parents Present	45
Program Approved by Principal/HOD	Yes
Supporting Staff Member	Ms Surbhi D. Pagar
Photograph/Video Available	Yes
Nature of Photo Submission (Soft/Hard) & To whom	Soft
Brief about the Program (Activity/Event)	This expert talk mainly focused on OSI network model, layers of OSI model and functionality of transport layer in OSI model. In this program students have learned basic concepts in computer network.
Name and Sign of Program In charge	Mrs. Pradnya Bachhav 
Signature of HOD	Mr. S.G.Shukla 
Signature of Vice Principal	Dr. S.D .Kalpande 
Signature of Principal	Dr. N.G.Nikam 
Remark if Any (for office use)
