21.06.24	Skill Development	Mr. Nikhil Kulkarni, NEC Nashik

Guru Gobind Singh Foundation's Guru Gobind Singh College of Engineering & Research Centre, Nashik

ONE DAY WORKSHOP

On

“National Educational Policy-2020 and its Implementation”

(21 June 2024)

(OFFLINE MODE)

**In Association with
Savitribai Phule Pune University
Pune**

**Organized by
Department of Electrical Engineering,
Department of Mechanical Engineering
Guru Gobind Singh
College of Engineering & Research
Centre, Nashik,
Maharashtra – 422009**

About the Institute

GCOERC, Nashik was established in 2013 under the umbrella of Guru Gobind Singh Foundation. The Institute is NAAC Accredited and ISO 9001: 2015 certified. Mechanical Engineering program is NBA accredited. Currently the Institute offers following courses viz. Electrical Engineering, Mechanical Engineering, Civil Engineering, Computer Engineering, AI & DS, Automation & Robotics and management courses (BBA & MBA). The Institute has established Institute - Industry Partnership Excellence Centre with reputed Industries SIEMENS, BOSCH, Eduskill etc. for Skill Development and producing highly employable students. The Institution has highly qualified and dynamic faculty members, has state-of-the-art laboratories and infrastructure. The Institution is preferred as the best Engineering Colleges in Nashik under Savitribai Phule Pune University, Pune by aspiring engineering graduates.

VISION

An institute striving for excellence in providing Transformative Academic Education and Stimulating environment for Research to enhance skills for Developing Intellectuals and to inculcate quality education with Social and Technical knowledge which will benefit the Society and Industrial Challenges.

MISSION

1. To be a Technical Educational Institute in transforming aspiring engineers through rigorous course work and technical skills.
2. To benchmark with the best global standards of quality education.
3. To enhance commitment of the faculty, staff and students by inculcating the spirit of inquiry, team work and professionalism.
4. Establish a Centre of Excellence to enhance academia-industry partnership, work on collaborative projects, and develop new products, services and patents.
5. To develop globally competent students by enhancing indigenous technologies and inculcate entrepreneurship in them.

About the Departments

Highly qualified, dedicated faculty members provide the best Academic and Research ambience in the Department. It has the state-of-the-art laboratories and infrastructure to cater to needs of curriculum, research as well as consultancy activities. Soft skills, Software Training Programme and other value addition courses are conducted to prepare students to be highly employable. In addition Seminar, Workshops, expert lectures are conducted regularly for upgrading knowledge base of faculty and students.

About Workshop

Scope of Workshop

To facilitate a comprehensive understanding and foster discussion on the implementation of NEP-2020. The workshop is also focusing on integrating NEP-2020 into teaching methodologies. The workshop is an initiative towards providing a platform for various stake holders in the field of education to discuss and elaborate on preparing individual and institute towards getting accredited.

Objectives of Workshop

Objective of this workshop to orient various stakeholders on the recommendations of NEP 2020 with respect to use and integration of technology.

To provide platform to the faculty in preparing skill development of the students.

Course Duration

1 days programme with three sessions.

Who should attend

Faculty members and staff of affiliated colleges of SPPU Pune.

Selection and Certification Criteria

Selection is made based on a first-come, first-serve basis. The confirmed candidate will be notified on or before 19th June 2024 through email.
