Importance of Software in Civil Engineering

Date: 2nd September, 2022

Venue: Class Room No 126

Event Schedule:

Date	Time	Description
02 Sep 2022	02:00 PM - 04:00 PM	

Dear All,

An expert lecture was conducted for the Second and Third Year Civil Engineering students on the topic "Importance of Software in Civil Engineering". Use of software to perform civil engineering jobs is the need of the industry, so to bridge the gap a team from CAD CENTER, Nashik, gave a presentation and had an interaction with the students regarding softwares like AutoCAD, Google Sketchup, Rivet, BIM, VRAY, STAAD Pro, ETABS, MS Project.
