Brief about the Program (Activity/Event)	<p>Nashik, 13th July 2024 – In an effort to foster social responsibility and community engagement, the Department of Automation and Robotics at SEAR organized a visit to Mangal Roop Gaushala, near Butterfly Garden, Ambad. This initiative, part of the Institutional Social Responsibility (ISR) activity, aimed to provide second-year students with firsthand experience in animal welfare and sustainable practices.</p> <p>During the visit, students were introduced to various aspects of Gaushala management, including daily care routines for the cows, health check-ups, and sustainable practices such as biogas production and organic farming. The students engaged in discussions about how automation and robotics can be utilized to improve Gaushala operations, proposing ideas like automated feeding systems and health monitoring devices.</p>
