

Guru Gobind Singh College of Engineering & Research Centre, Nashik
Academic Year [2023-24]

Educational Visit to MERI, Nashik

Date: 6th December, 2023

Venue: MERI , Nashik

Event Schedule:

Date	Time	Description
06 Dec 2023	10:30 AM - 05:30 PM	

Dear All,

Objectives:

1. To make aware the state of art hydraulics related research work under taken by MERI
2. To introduce students to the available models of Dam and Channels.
3. To correlate the physical models with actual learning

Outcomes: students are able to

1. Enhanced understanding of the methodologies and techniques utilized in model studies of hydraulic structures.
2. Understanding effectiveness and reliability of the Upper Vaitarana Dam model through a examination of its testing procedures and findings,
3. An understanding of correct procedure for laboratory testing and need of precision in measurement in various civil Engineering field tests.

POs PO1, PO2, PO4, PO5, PO9, PO12, PS01 & PS03

Targeted Audiences :- SE civil ENGG Students (52 Nos of students)

Speaker Details:- 1 Mr. Pawar (Dy. Engg Hydro Dynamic Division MERI Nashik), 2. Mr. Sonawane(Dy. Engg Hydro Dynamic Division MERI Nashik)

Feedback :- In ERP

Summary

Visit is planned as a part of requirement of termwork in the subject Fluid Mechanics of SE Civil. Date of visit 6th December 2023

Time from 10.30 am to 5.30 pm

Visited

1. Highway laboratory

2 Soil Testing laboratory

3. Seismic division
4. Resources Engineering Division
5. Maharashtra Models
6. Hydrodynamic division
