Brief about the Program (Activity/Event)	<p>The students of second year Automation &amp; Robotics Department undergone absolute pleasure visiting the Asia's largest Artillery Centre at Nashik. The 30 students and 05 faculty watched the live firing "Firing through Canons" which involves live firing using various artillery pieces at a range of 105mm, 130 mm , 155 mm, etc, which was done after the arrival of chief guest. Previous used equipment's in the war were also demonstrated through videos. After that, various Radar connection equipment's, the way to investigate enemy's movements were shown to us. We are incredibly proud of the Indian Army and its soldiers. The army officers and students did one to one discussion to know about opportunities to students in Indian Army</p>
